

2018 ANNUAL REPORT

COLLEGE PARK CHURCH GREENWOOD

OUR LAUNCH

For fifteen years, Bob and Lyn Templeton faithfully drove fifty miles to attend College Park Church. The drive took more than an hour and a half, but the couple was committed and even served on the Guest & Member Services Team for many years. However, upon hearing of College Park's new Greenwood congregation much closer to home, Bob and Lyn felt incredibly blessed and knew they wanted to be a part of it.

Bob and Lyn began attending service at the College Park Greenwood Incubator and once our church launched, they started volunteering as Ushers. As Sunday morning attendance grew, so did the Templeton's roles.

The process, Bob said, has been nothing short of amazing. He has seen the unmistakable, invisible hand of God throughout the adoption, incubation, and launch stages. "What is happening here in Greenwood is a fit for the formation of God's Kingdom," Bob said. "God's grace is bountiful."

FINDING HOPE TOGETHER

It is only by God's grace that our congregation, which didn't exist twelve months ago, is now flourishing. We're not only growing in numbers but, more importantly, we're growing in unity. More than seventy-five percent of you have said "yes" to joining a Small Group since we launched the ministry last fall.

And many of you, like Todd Ensign, are already seeing God's blessing through your Small Group.

"I've seen God answer prayer and I've watched brothers and sisters grow in their faith," Todd said. "Time and time again, I've watched God encourage people and I've experienced the Holy Spirit blessing us in prayer."

Each one of our nine Small Groups is intentionally and regularly finding hope together; and they're spreading the light of Christ throughout Greenwood.

"We desperately need each other to maintain and grow our passion to follow Christ," Todd said. "It is worth every effort and sacrifice required."

LIVE PREACHING

On Sunday, June 24, 2018, God answered our prayers for a lead pastor through the provision of Ben Parker. In the months since, we have been growing in church unity and have transitioned to full-time, live preaching on Sunday mornings.

For our first advent season as a church, we explored the coming of Christ through passages in Isaiah, Matthew, Galatians, Luke, 1 Timothy, and Revelation. The series, "The Savior Jesus" helped us see that all of Scripture is either foretelling the first advent of Christ, describing the first advent of Christ, or pointing to the day when Christ will return in glory.

Each week, God has provided for our needs. Whether it's an extra volunteer, a worship leader, or even a Sunday morning speaker: He has brought the people and resources that we need, exactly as we need them.

What's evident in the book of John is also clear at College Park Greenwood: The Word is alive and because of that, we believe!
