

Summer Reading at Crosspointe Community Church!

Summer is almost here, and for many vacations are soon to follow. And what better way to relax than with a good book to read? We would love to put a free book in your hands that will be a great blessing to you as you read it each summer. As we endeavor to read these books as a church family, we can discuss the truths contained with one another and encourage each other to live out those truths in our lives.

Each member of our church can receive a free book each summer by following three easy steps:

1) Read the recommended book.

Each summer the leaders at Crosspointe will choose a book that we think would be a great help to all who read it. This summer, we are inviting our members to read one of four books of your choosing:

[Gospel Treason](#) by Brad Bigney.

[A Praying Life](#) by Paul E. Miller.

[The Holiness of God](#) by R.C. Sproul.

[Instruments in the Redeemer's Hands](#) by Paul David Tripp.

You can purchase these books at the link above, or in our Resource Area at the church.

2) Tell us what impacted you most.

After reading the book, simply send us a paragraph about what you found most helpful about the book. This is meant to be an informal reflection on the truths that were contained rather than a "book report." Writing the review will serve two purpose:

1. It will help you better retain and apply the information you have read.
2. It will serve as the record of you having successfully read the book.

3) Get your free book!

Just turn your review in to your lay elder and you will automatically receive a copy of next year's book for free. In this case, everyone who reads one of the above books this summer will receive a free copy of [Gentle and Lowly](#) by Dane Ortlund *this fall*. And if you read that book, you'll receive another free book of your choosing next summer. On and on it goes—Free books each year for the edification of the church.

So make sure you pick up the book of your choosing next time you are at church or online, and we hope these good reads are a great blessing to you as you seek to be made more like Christ each day!
